

LOW COST INTERNET OPTION: INTERNET ESSENTIALS

\$9.95/MONTH

**LOW COST INTERNET
COMCAST/XFINITY**

For individuals enrolled in a state or federal benefit program (including Section 8 Housing, SNAP Food Benefits, Medicaid, and more).

HOW TO APPLY:

You can complete an application online or by phone. You may be asked to provide documents showing your enrollment in a benefit program. Once you are approved you can either have the equipment shipped to you or you can pick up the equipment at any Comcast/Xfinity store. A Comcast Service Representative can help you install it by phone.

With the \$9.95/month plan you have access to 1024 GB of data each month. This is enough to do your Canvas work and even watch Netflix! In addition, once you have been approved for the program you are able to purchase a 12" laptop or 15" desktop computer equipped with Windows 10 for \$149.99 plus tax.

**\$149.99 LAPTOP OR
DESKTOP COMPUTER!**
