Fall-2023 Student Information – Core Students

About Our College

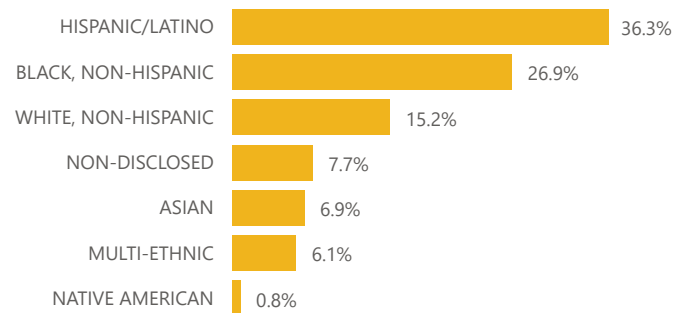

Franklin Cummings Tech is here to illuminate a new path in education. Founded in 1908 and rooted in the 100-plus year legacy, innovation, and vision of Benjamin Franklin, we have designed an education for the future of work. The programs we offer align with job opportunities in high-growth fields like clean energy, robotics, automation and construction trades, setting you up to succeed in a career in the leading edge of technology.
